EXPERIENCE

MAY 2017 - PRESENT

Product Designer - Web Art Director

HABX // Paris and Remote work

As the Product Designer at HABX, I work closely with the Product Manager and the engineering team to create a product aiming to give everyone access to custom built new homes and change the way they live in their neighbourhood. I work on both UX and UI design.

JAN 2013 - PRESENT

Product Designer - Art Director

Freelancer

Freelance Product Designer currently specialising in UX and UI design. I work with clients to define, develop and implement their brand and products.

NOV 2016 - MAY 2017

UI Designer - Graphic Designer

Qobuz // Paris

Joined Qobuz team to help them improve their desktop and mobile apps. I worked on the design of several features like playlists management, navigation, albums and tracklists display.

NOV 2015 - MAY 2017

Product Designer - Graphic Designer

Xandrie - Allbrary // Paris

Led design for a new entertainment app that gives access to thousands of digital products. Responsible for the entire design process from research, prototyping to high definition mockups and user testing.

OCT 2013 - OCT 2015

Web Designer - Webmaster

Revue Banque // Paris

Designed web assets including emailings, web banners, UI elements. Conducted UX research and usability testings, then designed the mobile-dedicated website.

APR 2013 - OCT 2013

Junior Visual Designer

Dakotabox - Dakota Éditions - Loisirs VIP // Paris

Designed promotional materials and daily core content including print ads, brochures, posters, website banners and emailings.

EDUCATION

OCT 2012 - SEP 2015

Multimedia Project Manager Bachelor - Graphic Design major

IESA Multimédia // Paris

Winner of the annual competition

Project : PLUME UN VIEUX
