EXPERIENCE

NOV 2021 - PRESENT

Product Designer & Product Manager

Fleex // Remote work

As the first Product Designer at Fleex, I lead design strategy of the product. Built the entire design system. Also working as a Product Manager on development process, product roadmap, specifications and prioritization of the backlog and the sprints.

JULY 2019 - NOV 2021

Product Designer

360Learning // Remote work

Worked on various features such as third party content integration, playlists or the chrome extension. Redesigned search to deliver a more usable and delightful experience to browse and discover learning items. Took part in the redesign of the platform and the design system with the design team.

JAN 2013 - PRESENT

Product Designer - Art Director

Freelancer // Remote work

Worked on projects involving branding, UX and UI design for a variety of clients, from local businesses to startups.

MAY 2017 - MAY 2019

Product Designer - Web Art Director

habx // Paris and remote work

Joined habx as the first Product Designer. I led design strategy of the product and built the entire design system. Conducted user research, created personas, journey maps, wireframes, prototypes, visual designs and conducted user tests. Designed the homemade CMS and CRM.

NOV 2016 - MAY 2017

Product Designer - Graphic Designer

Qobuz // Paris

Joined Qobuz team to help them improve their desktop and mobile apps. I worked features such as playlists creation and management, navigation, blog articles and music library.

NOV 2015 - MAY 2017

Product Designer - Graphic Designer

Xandrie - Allbrary // Paris

OCT 2013 - OCT 2015

Web Designer - Webmaster

Revue Banque // Paris

APR 2013 - OCT 2013

Junior Visual Designer

Dakotabox - Dakota Éditions - Loisirs VIP // Paris

EDUCATION

OCT 2012 - SEP 2015

Multimedia Project Manager Bachelor - Graphic Design major

IESA Multimédia // Paris

Winner of the annual competition

Project : PLUME UN VIEUX
